**NEWSLETTER / NEWS RELEASE  
From the Office of the Mayor**

FOR IMMEDIATE RELEASE

JANUARY 25, 2012

**ELECTRONICS RECYCLING DRIVE**

Mayor Thomas P. Schneider announced today that the City of Florissant will again be hosting a major electronics recycling drive for City of Florissant residents. Residents will need to provide proof of residency by providing staff a current resident card or a Meridian Waste or utility bill and a driver's license.

The Mayor has reached an agreement with Meridian Waste services to provide additional equipment and manpower the city will need to hold this event benefiting all of our residents and the environment.

Acceptable items to be collected are computers and all of their accessories, networking and telecommunications equipment, phones (home and cell), clocks, TVs, VCRs, DVD players, stereos, A/V equipment including cable and satellite boxes, home electronics and appliances and any item with a gasoline engine that contains an electronic ignition or board provided the engine has been drained prior to the event.

The recycling event is to be held on Saturday April 28, 2012 between the hours of 8 a.m. and 1 p.m. in St. Ferdinand Park rear parking lot ... rain or shine.

The Mayor encourages all of our residents to participate. Recycling conserves our natural resources, saves money, creates jobs, eliminates waste in landfills and reduces harm to the environment.

If you need additional information feel free to contact the Florissant Health Department at 314-839-7655.
