

CITY OF FLORISSANT

COUNCIL MINUTES

February 28, 2017

The Florissant City Council met in regular session at Florissant City Hall, 955 rue St. Francois on Tuesday, February 28, 2017 at 7:30 p.m. with Council President Pagano presiding. The Chair asked everyone in attendance to stand and join in the Pledge of Allegiance.

On Roll Call the following Councilmembers were present: Eagan, Caputa, Schildroth, Henke, Pagano, Schmidt, Siam, Lee and Jones. Also present was Mayor Thomas P. Schneider, City Attorney John Hessel and City Clerk Karen Goodwin. A quorum being present the Chair stated that the Council Meeting was in session for the transaction of business.

Councilman Caputa moved to approve the Meeting Minutes and Executive Meeting of 2/13/2017 and Work Session Minutes of 1/30/2017, seconded by Lee. Motion carried.

The Chair stated that the next item on the agenda was *Hearing from Citizens* and asked any citizen who wished to speak to come forward.

Ron and Carol Wright, 500 Waterford, stated that they rescued a lab puppy that has become part of their family. The puppy accidentally got loose, was picked up by the Health Department, and deemed a "pit bull." They are proud, law abiding Florissant residents who have lived in the city for 34 years. They asked to be able to keep their puppy whose papers indicate it is a lab.

Cindi O'Shea, 125 W. St. Anthony, stated that she was opposed to repealing the pit bull ban. She stated statics that she felt supported the pit bull ban and dangerous dog ordinances.

Judy Shreves, 610 Florland, stated that statistics and information obtained from the internet is not always a credible resource. She was attacked twice by German Shepherds.

Stephanie Cawvey, 835 Loyola, asked the Council to repeal the ban on pit bull dogs.

37 Janet Parks, 850 Lilac Dr., stated that she owns a boxer and she is concerned that her dog might
38 be mistaken for a pit bull. It is the owner who is responsible for a dog, not the breed itself.
39

40 Mike Cardenes, 2475 Stoney End Ct, apologized in advance for any robot BSL emails that the
41 city or Council might have received. He stated that 2 residents were in attendance this evening that
42 supported the repeal, but were unwilling to speak. He thanked the Council for their feedback on this
43 issue and for introducing a bill. He stressed that all the information/statistics presented should be from
44 a credible source.
45

46 Patricia Lopez, 11 Bruce, stated that she used to be an animal control officer, taking many dogs
47 away from their owners. As a groomer, she has been bit by many dogs but never a pit bull. They are a
48 warm, loving breed of dog.
49

50 Joshua Polsky, 748 Loekes Dr., thanked the Council for listening to the BSL group for over 9
51 months. He also thanked them in advance for putting the BSL bill on the agenda, whichever way the
52 vote goes.
53

54 Mike Schmidt, 625 Saddle, asked if a vote of Florissant residents should be the way to decide
55 the pit bull ban issue.
56

60

61 The next item on the Agenda was Public Hearings.

62

63

64 The City Clerk reported that Public Hearing #17-02-005 to be held this night on a request to
65 authorize an amendment to Special Use Permit No. 8029 to Burger King to allow for renovations to the
66 existing building in a B-3 Zoning District for the property located at 3121 N. Highway 67 had been
67 advertised in substantially the same form as appears in the foregoing publication and by posting the
68 property. The Chair declared the Public Hearing to be open and invited those who wished to be heard
69 to come forward.

70 Bart Berneking, representative for Burger King, stated that the Planning and Zoning
71 Commission had recommended approval with 4 stipulations which Burger King has agreed to. He also
72 stated that they had a March 15th deadline to be completed with renovations. He informed the Council
73 that these type of projects were usually completed in 2 weeks. The restriping of the parking lot,
74 removal/replacement of old landscaping, and the renovations are all to be finished within two weeks.

75 Mr. Berneking asked for three readings this evening because they hoped to begin work in the next day
76 or two.

77 In response to Councilman Siam's question, the petitioner stated that the drive-thru and kitchen
78 would remain open for several days and the restaurant will then shut down completely for five days.
79 The playground will be removed, no brick will be painted and the building will have a more
80 contemporary look.

81 Councilman Lee asked why the company waited for so long to apply for this request which has
82 now resulted in rushing the project through with 3 readings. Mr. Berneking stated that Burger King
83 had to go through the special use permit process because of the drive-through and they had not
84 anticipated this. Also, there is a financing deadline as well.

85 Councilman Jones stated that reading a bill three times in one evening will set a precedent for
86 other petitioners. It also defeats the purpose of having a public hearing in order to hear from the
87 residents.

88 Councilman Eagan agreed with Councilman Jones, but added that there were times which
89 require extenuating circumstances.

90 Mayor Schneider stated that occasionally technical difficulties and financial deadlines arise. He
91 asked the Council to be pragmatic and vote for three readings, so that the bill had a possibility of
92 passing this evening.

93 The Chair asked if there were any citizens who would like to speak on said public hearing.

94 Kevin O'Donnell, 512 Rancho Lane, stated that the Burger King remodel on N. Lindbergh took
95 two months to complete. He felt that this Burger King was trying to push their request through and he
96 asked that the Council not pass the Bill this evening, but instead require Burger King go through the
97 normal channels.

98 Being no other citizens who wished to speak, Councilman Siam moved to close P.H. #17-02-
99 005 seconded by Lee. Motion carried.

100 The City Clerk reported that Public Hearing #17-02-006 to be held this night on a request to
101 authorize a Special Use Permit to STL Howdershell, LLC d/b/a St. Louis Fish & Chicken to allow for a
102 carry-out restaurant for the property located at 340 A-Howdershell Rd. had been advertised in
103 substantially the same form as appears in the foregoing publication and by posting the property. The
104 Chair declared the Public Hearing to be open and invited those who wished to be heard to come
105 forward.

Muath Salameh, representative, stated that they are attempting to open a take-out restaurant in Florissant. They currently have between 10-15 established restaurants in the St. Louis area. They currently do not deliver, but they might at some point in the future. They were hoping to get three readings as well because it will take at least two months to complete the renovations. There will be no drive-thru. Hours of operation will be 10-10, 7 days a week and they will hire at least 10 employees. The restaurant will have enclosed trash containers that will be monitored daily and a grease receptacle as well. Mr. Salameh also agreed to place a trash can at the front entrance to the restaurant. No alcohol is served at any of their restaurants.

The Chair asked if there were any citizens who would like to speak on said public hearing. Being none, Councilman Eagan moved to close P.H. #17-02-006 seconded by Jones. Motion carried.

On roll call the Council voted: Eagan yes, Caputa yes, Schildroth yes, Henke yes, Pagano yes, Schmidt yes, Siam yes, Lee yes and Jones yes. Whereupon the Chair declared Bill No. 9256 to have passed and said Bill became Ordinance No. 8296.

Councilwoman Pagano moved that Bill No. 9258 An Ordinance amending the General Fund Budget to reflect \$85,000 from Asset Forfeiture Funds in escrow to Forfeiture Revenue Acct. 01-4-34511 and to the Forfeiture Expenditure Acct. 01-5-49-61000 for various police department expenditures be read for a second time, seconded by Eagan. Motion carried and Bill No. 9258 was read for a second time. Councilwoman Pagano moved that Bill No. 9258 be read for a third time, seconded by Caputa. Whereupon the Chair declared Bill No. 9258 to have passed and said Bill became Ordinance No. 8298.

Councilman Siam moved that Bill No. 9259 An Ordinance authorizing a Transfer of Special Use Permit 7716 from Tot Lots Learning Center to Florissant Kids Care Center, LLC for the operation of a day care located at 2184 N. Waterford Drive be read for a second time, seconded by Henke. Motion carried and Bill No. 9259 was read for a second time. Councilman Siam moved that Bill No. 9259 be read for a third time, seconded by Schmidt. Motion carried and Bill No. 9259 was read for a third and final time and placed upon its passage.

Before the final vote all interested persons were given an opportunity to be heard. Whereupon the Chair declared Bill No. 9259 to have passed and said Bill became Ordinance No. 8299.

Councilman Caputa moved to accept Substitute Bill No. 9260 An Ordinance amending Title II, Chapter 205 by deleting Section 205.395 "Regulation of Pit Bull Dogs," seconded by Jones. Motion carried.

Councilman Lee stated that he felt this bill was being rushed. He would like more time to study other pit bull regulations and possibly have a work session to discuss it. He recently looked at other cities that have dog laws that are restrictive and are not outright bans. The substitute bill being introduced this evening was a very comprehensive bill and he would like to "get it right." He was going to move to postpone this bill until April 10.

167 Councilwoman Pagano stated that the BSL issue has been discussed for approximately a year
168 and the Council is not rushing into this substitute. She has talked to residents on both sides of the
169 issue, studied the research and discussed it with Mr. Hessel. The Kansas City ordinance has worked
170 well and she feels that it is time to be voted upon.

171 Councilman Henke agreed with Councilman Lee and added that, although he doesn't
172 necessarily disagree with the substitute bill, it is a very comprehensive and detailed piece of legislation.
173 He would like to have a work session in order to discuss the details and possibly consider a referendum.
174 He would also like input from other departments.

175 Councilman Jones stated that he has read extensively on pit bull legislation. The current
176 ordinance has not been successful; there is no accountability on the dogs. Since this legislation has been
177 discussed for almost a year, he feels that it should be voted upon this evening.

178 Councilman Caputa stated that there has been plenty of time for the Council to review this topic.
179 The FBA has been coming to the council meetings since June of last year. The substitute bill on the
180 agenda is a good piece of legislation and is a combination of several cities' dog laws. He supports the
181 bill and would like for it to be voted upon this evening.

182 Councilman Schildroth stated that he authored and introduced the original pit bull ban
183 ordinance. It began when his neighbors asked him for help with a problem pit bull in the
184 neighborhood. He then did considerable research and drafted the current ordinance now on the books.
185 He has been very respectful to the members of the FBA and has listened to and read all the information
186 they have presented. Councilman Schildroth stated that the overwhelming number of people who
187 have spoken against the ban, do not live in the city. The residents in Ward 5 that he has talked to do not
188 want the pit bull ban repealed. He has talked to several residents, including staff and has made
189 suggested modifications to the existing pit bull ban. He will not be supporting the repeal.

190 Councilwoman Pagano stated that she respected all council members and has made sure they all
191 had the information that she receives. She takes offense that some members feel this Substitute Bill
192 was being "rammed down their throats." To take a family "dog" away from its owners because of an
193 imperceptible percent of pit, is not fair. The city needs to be stronger on all dangerous dogs, not a
194 specific breed. Councilman Lee apologized for the term "cramming it down their throats." He would
195 just like a work session to look closer at the ordinance.

196 Councilman Schmidt suggested postponing the bill to March 13 in order to have a work session
197 during the upcoming week.

Councilman Caputa suggested having the work session at tonight's meeting and discussing all issues in order to take care of the bill once and for all.

Councilman Siam did not think a work session needed to be held tonight, but would like to see one scheduled for next week. He will make sure that he would be there any day.

Councilman Eagan stated that he had done extensive research on this topic and was prepared to vote tonight.

Councilman Lee moved to amend his motion to postpone Substitute Bill No. 9260 to March 13, seconded by Henke. On roll call the Council voted: Eagan no, Caputa no, Schildroth yes, Henke yes, Pagano no, Schmidt yes, Siam yes, Lee yes and Jones no. Whereupon the Chair declared Substitute Bill No. 9260 to have been postponed to 3/13/2017.

Councilwoman Pagano asked for all Councilmember's schedules this evening in order to set up a work session for the following next week. City Attorney, John Hessel recommended that the following bill, Bill No. 9261 dealing with dangerous animals be postponed as well.

Councilman Lee moved to postpone Bill No. 9261 An Ordinance amending Title II Chapter 205 by amending Section 205.260 "Dangerous Animals," to 3/13/2017, seconded by Schildroth. On roll call the Council voted: Eagan no, Caputa no, Schildroth yes, Henke yes, Pagano yes, Schmidt yes, Siam yes, Lee yes and Jones no. Whereupon the Chair declared Bill No. 9261 to have been postponed to 3/13/2017.

Councilwoman Pagano moved that Bill No. 9262 An Ordinance amending Revenue Acct. No. 3490 "Grants and Reimbursements" in the amount of \$9,780 and appropriating the sum of \$9,780 from the General Revenue Fund to Budget Acct. No. 4921 "Uniforms" to purchase ballistic vests awarded through a local law enforcement block grant be read for a second time, seconded by Schmidt. Motion carried and Bill No. 9262 was read for a second time. Councilman Schmidt moved that Bill No. 9262 be read for a third time, seconded by Schildroth. Motion carried and Bill No. 9262 was read for a third and final time and placed upon its passage.

Before the final vote all interested persons were given an opportunity to be heard. On roll call the Council voted: Eagan yes, Caputa yes, Schildroth yes, Henke yes, Pagano yes, Schmidt yes, Siam yes, Lee yes and Jones yes. Whereupon the Chair declared Bill No. 9262 to have passed and said Bill became Ordinance No. 8300.

229 Councilman Lee moved to appointment Andrew Harris, 2535 Lindsay, to the Citizens
230 Participation Committee as a member from Ward 1 for a term expiring on 2/28/2018, seconded by
231 Eagan. Motion carried.

233 Standard Board of Appeals as a member from Ward 4 for a term expiring on 2/14/2020, seconded by
234 Schildroth. Motion carried.

235 Councilman Jones moved to accept the Mayor's appointment of Tim Wilson, 1781 Croftdale, to
236 the Environmental Quality Commission as a member from Ward 3 for a term expiring on 2/28/2020,
237 seconded by Pagano. Motion carried.

238 Councilman Siam moved to accept the Mayor's reappointment of John Jaworski, 13651 New

246 license for Alexandria's Wine Cellar located at 150 Washington, seconded by Henke. Motion carried.
247 On roll call the Council voted: Eagan yes, Caputa yes, Schildroth yes, Henke yes, Pagano yes, Schmidt

250 Special Use Permit No. 8029 to Burger King to allow for renovations to the existing building in a B-3
251 Zoning District for the property located at 3121 N Highway 67 and said Bill was read for the first
252 time. Councilman Eagan moved that Bill No. 9263 be read for a second time, seconded by Caputa.
253 Motion carried and Bill No. 9263 was read for a second time. Councilmen Schmidt and Eagan stated
254 that this was a very exceptional situation and they will not be asking for three readings and public
255 hearing all in one night on a regular basis. That being said, Councilman Schildroth stated that he has
256 an upcoming development in his ward with a time deadline also and which will require a public
257 hearing and three readings in one night. Councilmen Lee would like to know if petitioners are
258 informed of the time frame and process of a request at the time they apply in Public Works. Mayor
259 Schneider asked the Council to be pragmatic and not obstructionists in regards to this request. He

asked the Council to vote for three readings and then let them decide on a course of action. Councilman Eagan moved that Bill No. 9263 be read for a third time, seconded by Henke. On roll call the Council voted: Eagan yes, Caputa yes, Schildroth yes, Henke yes, Pagano yes, Schmidt yes, Siam yes, Lee yes and Jones no. The motion for a third reading of Bill No. 9263 failed.
