NOVEMBER 20, 2013

CURBSIDE RECYCLING
RECYCLING WITH A
BLUE TOTE FOR A GREENER TOMORROW

The City of Florissant would like to encourage all residents to recycle at the curbside. This is a free service for all residential houses provided by your waste hauler. As of Monday, January 6, 2014 the Recycling Center located in St. Ferdinand Park will be closing permanently.

Councilman John Grib has challenged Councilman Jeff Caputa to a Braggin Rights contest to see what Ward has the most blue totes and the most residents recycling curbside. The contest has already begun and will end at the end of December.

“Recycling conserves our natural resources, saves money, creates jobs, eliminates waste in landfills and reduces harm to the environment,” adds Mayor Schneider.

Recycling at the curb is much easier and efficient than recycling at the City’s Recycling Center. Its single stream at the curb because all of your recyclables can go into one tote and you don’t have to worry about separating any of your recycle.

If you would like a free recycle tote or need an extra one, please call 314-839-7654 and let the recycling begin!
