March 30, 2017*

Free seminar can help residents apply for Florissant’s annual Home Improvement Program

Florissant home-owners who would like to apply for Florissant’s Home Improvement Program can learn about the resources that are available, what qualifications are needed and how to fill out an application. The seminar will be held at the Florissant City Hall on Wednesday, April 12, 2017 at 5:30 p.m.

Florissant’s Community Development Block Grant (CDBG) office provides no-interest loans of up to \$5,000 to a limited number of low-to-moderate income Florissant homeowners who qualify. The loans can only be used for home repair and to address code violations.

Loan applications are available for pickup or on the City website. Completed applications will be accepted on a first come-first serve basis during regular business hours (8 a.m. - 5 p.m.) at the Government Building Monday, May 1, 2017 through 5 p.m. Wednesday, May 31, 2016 or until all funds have been awarded.

Applications are reviewed by Florissant’s Community Development Office and priority is given to low-income households. If funds remain after eligible low-income applications are met, candidates from moderate-income housing will be considered. All applicants will be notified of their status within 8 weeks.

More information about the loans and who may apply is available on Florissant’s website www.florissantmo.com or by contacting the Community Development Office at 314.839.7680 or comara@florissantmo.com
