MAYOR SCHNEIDER GOES BACK TO SCHOOL
“GRADE SCHOOL AND MIDDLE SCHOOL ALL ON THE SAME DAY”

On March 8, 2018 Mayor Schneider was invited to attend the **Ferguson-Florissant School District** new and cutting edge middle school the **STEAM and Gifted Academy** for a community discussion and guided tour by some of the students that are attending the new school.

Later that day Mayor Schneider was also invited to attend Leadership Day at **McNair Elementary School** in the **Hazelwood School District** to celebrate the hard work of their student leaders in the third year as a “Leader in Me” school, where they are learning about the **seven habits of happy kids**. Mayor Schneider had the opportunity to experience a leadership assembly, a student-led school tour, leadership board presentation and Q & A session on “Leader in Me”.

Mayor Schneider stated how impressed he was with the students at both schools including their academic maturity and eloquent poise. Their bright eyes and their enthusiast presentation left me with a complete feeling of confidence that these students are receiving a great education preparing them for a bright future. Kudos to the Ferguson- Florissant and Hazelwood School District.
