Mayor Schneider is pleased to announce that Street Department Foreman for the City Kevin Green has been promoted to Superintendent of Park Maintenance.

Kevin has been with the City for almost 39 years. He was hired in October of 1979 as a Class “C” Laborer in the Water Department and in 1980 moved to the Street Department for a short time. After the sale of the Water Department, Kevin was promoted to a Class “A” Foreman in the Street Department in 2003 where he held that position until he was just recently promoted to Superintendent of Park Maintenance to replace the retiring and long-time city employee Bob Laramie.

Mayor Schneider added, “Kevin not only brings his outstanding work ethic and many years of experience but his strong leadership qualities. Kevin leads by example and has always been committed to the city and the community he serves.”
