

Valley of Flowers Festival on May 1st, 2nd & 3rd "Valley of Flowers Celebrates Those Who Serve"

For 53 years, since 1963, the Valley of Flowers Festival celebration has been the "first festival of spring." It features a variety of events, including a superb parade!

This three-day weekend festival has activities for everyone from a flower and plant sale to culturally diverse musical performances. There are baseball games, craft and flea market sales, children's activities, a classic car show and of course good food. Carnival games and exciting rides are featured at the Duchesne Knights of Columbus Fairgrounds.

The official parade on Sunday, May 3 is a highlight of the weekend that leads up to the crowning of the Valley of Flowers Queen and her Court at the Duchesne Knights of Columbus Pavilion.

The festival is organized by the Valley of Flowers Committee: Chairman, Pat Stinnett; Coordinator, Kati Mahoney; Board Members; Jerry Ahlert, Kathy Blasingame, Vicky Egan, Mary Gettemeier, Mike Kubiak, Pamela Lee and Michael O'Fallon. The Committee works in partnership with the City of Florissant.

Valley of Flowers Festival Offers Something for Everyone at the Duchesne Knights of Columbus Fairgrounds

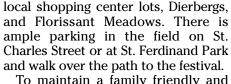

There will be many activities all weekend at the Duchesne Knights of Columbus grounds on Washington Street between St. Ferdinand and Lindbergh Blvd. (N. Hwy 67) next to St. Ferdinand Shrine. During the entire three-day festival, the grounds are reserved for families. Anyone under 18 years old must be accompanied by an adult. On Friday night only, all rides are one ticket. Enjoy the rides, games, great food, and famous barbeque. There are many rides available for younger children, as well as the grand Ferris Wheel for everyone. On Friday, Saturday, and Sunday visit the beer and wine garden. The Knights will serve their delicious barbecue ribs. pork steaks, brats, hot dogs, and hamburgers Friday through Sunday. Booths, sponsored by local not-forprofit organizations, will offer a variety of festival foods and games. The beer garden will be open Friday through Sunday.

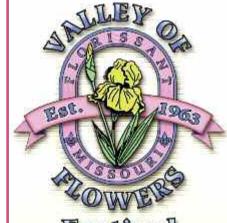

On Sunday, watch the parade. Immediately afterwards, the Valley of Flowers Queen and her court will be crowned at the Knights of Columbus pavilion. Awards will be presented to the winners of the Valley of Flowers parade, and Pretty Baby photo contest. After the crowning of the queen and her court at the large pavilion, the Knights invite everyone to their Charity Raffle with fabulous items. All proceeds from the Raffle go to help those in need in the Florissant area.

The Knights of Columbus grounds are open on Friday from 4:00 to 10:00 p.m. on Saturday from 11:00 a.m. to 10:00 p.m., and on Sunday from 11:00 a.m. to 8:00 p.m. Please do not park on the

local shopping center lots, Dierbergs, and Florissant Meadows. There is ample parking in the field on St. Charles Street or at St. Ferdinand Park

To maintain a family friendly and neighborhood atmosphere, the festival committee has implemented changes to better manage the crowds and traffic flow in and around the festival grounds. The plan includes temporary traffic regulations to prevent festival traffic from interfering with local businesses including the no parking policy at Florissant Meadows Shopping Center and Dierbergs, a well-enforced dress code, and increased overall security. Additionally, no one will be allowed to enter the Knights Grounds after 9:00 p.m. on any evening.

Valley of Flowers **Queen and Court** Crowning

Sixteen high school juniors from seven area schools will compete for the honor of being crowned the Valley of Flowers Queen who reigns over Festival activities for the coming year. (see them in the middle pages of this issue). In addition to the queen, a first runner-up and three special maids will be selected. Everyone is invited to attend the crowning at the Knights of Columbus Pavilion following the parade at 4:00 p.m. on Sunday, May 3rd.

53rd Valley of Flowers Parade at 1:45pm on Sunday May 3rd

Since 1963, the Valley of Flowers parade has been on the first Sunday afternoon in May. This year's parade features more than 120 units. It will begin with the vehicle units and floats departing from the James J. Eagan Center at 1:45 pm and proceeding up Parker Road to Florissant Road where the parade turns left. At that point the vehicles and floats will be joined by youth and other special units, as well as the marching bands, who will be waiting in the Atonement Lutheran Church parking lot. From there the parade will proceed along Florissant Road turning right on rue St. Francois and past the official parade stands then left on St. Ferdinand Street. Proceeding to Washington Street the parade will turn right and end at the Knights of Columbus fairgrounds.

The parade theme is "Valley of Flowers Celebrates Those Who Serve" and will feature many City and local municipal emergency responders vehicles along with many veter-

ans groups and local government officials. Other units will include the Valley of Flowers Queen candidates, the current 2014 Queen and Court, numerous themed floats, decorated cars, antique cars, marching bands, horses, dogs and many other entertaining and unique parade units.

After the parade concludes at the Knights of Columbus grounds, the candidates will proceed to the pavilion stage for the crowning of the 2015 Valley of Flowers Queen and her court. Prior to the Queen and Court crowning ceremony, awards will be presented to the the various winning parade units and their sponsors. So come early and get good seats for one of the largest parades in St. Louis County and then meet us at the Knights of Columbus for the exciting awards and crowning ceremonies.

Valley of Flowers Events Include the Unveiling of the **Restored Old St. Ferdinand Shrine!**

For the past several years, Old St. Ferdinand Shrine has undergone a tremendous restoration. With hard work and many donations, the "Shrine" has taken the step to bring history alive.

The convent of St. Rose Philippine Duchesne has been restored to 1819 when Mother Duchesne arrived in what is now Florissant. The Church is restored to its 1880 appearance and the final restoration just completed is the addition of a beautiful Museum. The museum tells the story of St. Ferdinand and of Florissant. You won't want to miss this! Come and see the Shrine during the Valley of Flowers Festival. It is open throughout the festival.

But wait – that's not all that is going on during the Festival at the Shrine. The Schoolhouse, completed in 1888, will feature these activities: ...A Giant Flea Market!

Walk in the "Volksmarch"

The St. Louis Stuttgart Volksmarch Club will sponsor this "People's Walk" (a noncompetitive, recreational walk meant for family participation) through interesting and scenic areas. It is not a contest of speed or endurance but a leisurely stroll. This Volksmarch is free. Volksmarchers may (for a small fee) keep track of their event/distance in official record books that are available.

The Volksmarch will be held Saturday, May 2nd, with registration from 9:00 and 11:00 a.m. in the pavil-

ion behind the Girardier House at 601 St. Charles Street (Old Town Partners/Valley of Flowers office). The "People's Walk" begins on the path adjacent to the pavilion and continues through the streets of Old Town Florissant. Many of the activities of the Festival will be highlighted. While on the tour, you will see some of the historic homes located throughout Old Town Florissant, will enjoy the Car Show on St. Francois, and will experience the friendliness of Florissant residents.

Valley of Flowers Car Show

Florissant Old Town Partners invites you to come and enjoy a spectacular Car Show set against the backdrop of the historic business district of Old Town Florissant. The Car Show will be on Saturday, May 2, from

8:00 a.m. to 3:00 p.m. along rue St. Francois. The Open Class Show will feature approximately 200 cars. The Car Show will line rue St. Francois from St. Pierre Street to Lafavette Street. This section of rue St. Francois will be closed to traffic beginning at 8:00 a.m. Only cars in

walk to the fun Registration for the show is \$12.00 in advance and \$15.00 the day of the event. Trophies will be awarded at 3:00 p.m. For pre-registration and information call (314) 837-0033. (If necessary, a rainout date has been planned for May 9th.)

Greetings Everyone,

The 53rd Annual Valley of Flowers Festival takes place May 1, 2 and 3. This is the oldest and perhaps largest and most enjoyable community festival in the metropolitan area every year, with a wide variety of family fun at two main venues. Visit the Eagan Center for indoor and outdoor entertainment or the Knights of Columbus grounds for a day of family fun on the rides and midway followed by some famous Knights barbeque.

The Wednesday Night Out events in Old Town sponsored by Old Town Partners will be held on June 24th in front of Korte's, July 29th at the Old St. Ferdinand Shrine, August 26th at Bunkers and Stems and September 30th at Hendel's with each starting at 6 p.m. For more information contact the Old Town Partners' office at 314-837-0033. The first **Florissant Food Truck** Knights was held on Wednesday, April 22nd sponsored by the Knights of Columbus and the City with future food truck nights scheduled for June 18th and August 28th. There will be barrels to collect non-perishable canned and dry food for the nearby TEAM food pantry, and proceeds from the event will benefit Knight's sponsored charities

As the days get warmer and longer I would like to remind parents to keep an eye on their children as they play outside and to be aware of their surroundings. Instruct children to memorize their address and home phone number and to be careful around vehicle traffic. Tell them to avoid strangers, especially those who try to talk to them from a car or other vehicle and to run home and alert you to any suspicious activity. Report anything unusual the Florissant Police

Department at 831-7000 at once. The 7th Annual Trash Bash litter cleanup was a huge success. I want to thank City Engineer Tim Barrett along with all the City staff for all of their hard work. We had 80 volunteers who turned out at Sunset Park to do their part to pick up litter along the banks of the Missouri River. I am pleased to announce that the Florissant volunteers collected roughly 11 cubic yards of trash and 9 tires! This year nearly 4 cubic yards of the trash will be recycled! I would also like to thank MSD, Greenway Network, Great Rivers Greenway, Missouri American Water, St. Louis County, St. Louis Audubon Society and various municipalities and agencies for their part in making this third annual event a great success.

Clean Up Spruce Up Pick Up in preparation of the Valley of Flowers

As we prepare for the 53rd Valley of Flowers Festival it is important to remember that the City of Florissant is the Beautiful City for many reasons. Get your neighborhood ready for Valley of Flowers. I am suggesting that we all pitch in and remove unwanted newspapers, trash, debris that is lying about. We have had a long hard winter, so grab your rake and let's start sprucing things up. By setting an example you will start a chain reaction that will contribute in continuing the great tradition of the Beautiful City in the Valley of Flowers.

Electronic Recycling Drive. I would like to send out a thank you to Midwest Recycling Center for providing the additional equipment and manpower for our electronic recycle drive on April 11 at St. Ferdinand Park from 9 a.m. to 1 p.m. By recycling your electronic equipment, you save the energy that would be required to produce useful material and prevent hazardous components from entering the environment in landfills.

The 4th Annual Florissant **Resident** "Free Document Shredding Day" was scheduled on Saturday, April 18 at St. Ferdinand Park-rear parking lot from 9 a.m. to 12 noon. The service allows residents to have their sensitive tax, bank or financial records from home shredded right in front of their eyes for peace of mind. Cintas Document Management Company was there to professionally shred the material, which was processed in a manner in which it can not be recognized or recreated. All mate-

This past tax preparation season the Senior Office helped more than 1,000 senior residents prepare their 2014 tax returns. I would like to commend Senior Coordinator Peggy Hogan and her staff, who always do an outstanding job in assisting seniors with this service that uses many valuable volunteers to make this available free of charge. For information on the outstanding calendar of Senior Events that are planned for the upcoming months contact the Senior Office at 314-839-7604 or view the Senior Section of this newspaper.

2014 was a remarkably active year in the Building Division. With a surging workload staffing levels were increased to assist meeting escalating public demands. Building Division staff levels were increased by two multi-inspectors and one full-time clerk. Wait time for a housing inspection has been reduced from 2 to 3 weeks to between 5

and 7 days and wait time for complaint-based inspections has been reduced to 2 to 3 days.

The added staff has enabled the Building Division to accomplish certain tasks which have not been possible for several years, such as a full commercial sign inventory. Soon we will begin pro-active commercial property maintenance inspections.

Large construction jobs are peaking, such as Walmart and school district building projects, and require daily inspections. Risen staffing levels will also assist meeting our property maintenance goals, which continue to be pro-actively inspecting every home in the City twice annually and every commercial property once annually.

The Public Works Department has already started bidding out street projects for the year. This will include surface sealing, major street repairs and asphalt and concrete pavement improvement for various locations in the City. We use a priority-based point system to decide which streets receive maintenance attention or major repairs. Our City Engineer Tim Barrett, who is a professional engineer, credits this system for spending our limited resources in such a way as to maximize the driving experience of our residents and the appearance of our neighborhoods.

I look forward to seeing you at the Valley of Flowers Festival and other wonderful outdoor events in our Beautiful City.

Sincerely Yours,

Thomas P. Schneider Mayor of the City of Florissant

Home Grown Plants from the **Gardeners of Florissant**

The plant sale at the Valley of the Flowers Festival is sponsored by the local Gardeners of Florissant, a notfor-profit Club that is committed to protecting and beautifying the environment and sharing their knowledge with others. This year's sale will include another huge selection of flowers, outdoor and house-plants, vegetables, and herbs at most reasonable prices. Visitors to the sale will find offerings that bloom from spring through late fall and that are suitable for most home environments whether sunny, shady, moist, or dry. There will also be many lovely foliage or flowering hanging baskets as well as pre-planted decorative containers that make outstanding Mothers' Day gifts. (May 10 is

Along with the above offerings, there will be several raffles for valuable garden-related prizes. Anyone interested in growing a vegetable garden this year will find tables of different kinds of tomatoes, peppers, and herbs along with Club members who are happy to help them decide on particular varieties that will grow well in their vards. Several members are certified as "Master Gardeners" who are always willing to share their expertise with customers.

The Gardeners of Florissant plant sale will be held in the Ice Rink Pavilion at the James J. Eagan Center. It will run from 12:00 noon until 9:00 p.m. on Friday, May 1, and from 9:00 a.m. until 6:00 p.m. on Saturday, May 2. Arrive early for best selection. Annual savings for cooling your home

based on the efficiency of a

get from each energy dollar.

The answer to the question above may depend on how well you can physically or emotionally deal with no air conditioning if it happens to fail during a spell of very hot weather.

A check-up can spot potential issues that may cause a failure when the system is working its hardest. But the discussion goes beyond the chance of a system failure during a hot spell. Preventive maintenance of your air conditioning system components can improve the efficiency of the system and result in significant energy cost savings as well as extend the life of the system by years. An AC check-up can easily save you more

than the cost of the preventative maintenance service. Most of us know that it is a good idea to have our automobiles checked over by a good mechanic before taking a really long drive, getting the AC system of you're house checked before the hot weather arrives is the ame idea.

Most AC systems are a big investment, preventative maintenance protects that investment. A well-maintained AC system can last up to 15 years as opposed to about 7 years for systems which have the maintenance totally ignored.

Homeowners can help by changing the air filters 4 times a year. Those filters get dirty and constrict the airflow of both the heat and AC systems. That constriction reduces efficiency and worse, it can result is dam-

* Minimum efficiency established by the Department of Energy. Potentia energy savings may vary depending on your personal lifestyle, system gsand usage, equipment maintenance, local climate, actual con-ion and installation of equipment and duct system.

Like miles per gallon in a car, the higher the

system SEER rating, the more comfort you will

age to the system. Unmaintained systems tend to lose capacity. In general, the costs of maintenance are far cheaper than the resulting cost for energy and repairs of a unmaintained system.

With many older AC units, the cost to upgrade them with one of the newer-technology highefficiency units easily pays for the upgrade in a short time with the energy cost savings. There are also rebates that may be available for your upgrade.

Let our experienced and reputable service technicians give your AC system a check-up and we can help you stay cool in hot weather along with saving you money.

Give Goldkamp Heating and Cooling a try, you'll be glad you did!

ZOPPÉ: An Italian Family Circus

Zoppé: an Italian Family Circus, featuring Nino the Clown, has all the story and excitement of a Circus Big Top-complete with clowns, acrobats, aerialists, horses and performing dogs-just the way it used to be when Florissant was called the village of St. Ferdinand. "No seat is further than 20 feet from the action" in the 500-seat black-out tent says Giovanni Zoppé, a 6th generation performer and now the patriarch of the family-run circus. This up-close, personal and participatory circus

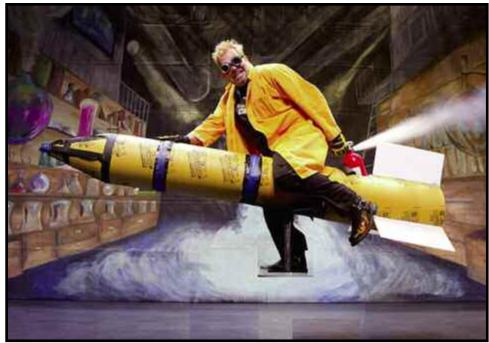

even has a storyline evolving from Nino, a gentle, funny and endearing clown played by Zoppé, who has been trying unsuccessfully to join the circus.

Zoppé Family Circus with Nino the Clown will appear in the Big Top on Friday, May 1st at 4:00 pm and 7:00 pm and on Saturday, May 2nd, there will be three more performances at 11:00 am, 2:00 pm and 5:00 pm.

Doktor Kaboom... "Look Out! Science Is Coming!"

Doktor Kaboom! is an interactive one-man Science variety show suitable for all audiences. Creatively blending theatre arts with the wonders of scientific exploration. Doktor Kaboom keeps his crowds riveted with interest and rolling with laughter. Join him for a sidesplitting journey of increasingly spectacular, and often successful, experiments and demonstrations. Using masterful improvisational skills, the artist takes his audience on a sidesplitting tour of the modern scientific method while demonstrating spectacular applications of the physical sciences. Doktor Kaboom is the creation of Actor / Comedian David

Epley. David has been fortunate enough to discover two passions in his life. His first, science, took him to studies at the North Carolina School of Science and Mathematics. His second, performing, became his career, and for 20 years David has made his living writing, performing, and directing original interactive comedy across the US and Canada. He now brings his passions together with an explosive style that refuses to allow his audiences time to catch a breath. Doktor Kaboom! will appear in the

Sideshow Tent on Friday, May 1 at 6:15 pm and Saturday, May 2 at 10:00 am, 1:15 pm and 3:00 pm.

Control Your Emotions in Volatile Markets

For the past few years, the stock market has moved up fairly steadily, with no major "corrections." But thus far in 2015, we've already seen periods of volatility — enough, in fact, to make some investors jittery. Nervous investors may be more prone to make deciterm market mov — so how can you stay calm?

First of all, when evaluating your investment decisions, stay focused on those factors that have historically driven stock prices. The U.S. economy is growing at a reasonably good pace, and corporate earnings remain fairly strong. Plus, stocks may not be as undervalued as they were a few years ago — as measured by the price-to-earnings ratio (P/E) — but they still aren't overly expensive, either. Things can change, of course, but when market volatility seems to be primarily caused by short-term events, such as plunging oil prices, it's important to look beyond the headlines to these less glamorous, but probably more important, fundamentals of good investing. By doing so, you can help avoid making fear-driven investment choices. What else can you do to help ensure that you don't let feelings of anxiety influence your investment moves? For one thing, evaluate your investment mix. If you own too many stocks and stock-based vehicles, you could take a big hit if stock prices fall sharply during periods of volatility. Historically, however, bond prices have typically increased when stock prices fell — although, of course, there

are no guarantees. So, if your portfolio con-

sists of stocks and bonds, you are better posi-

tioned to weather the harshest effects of mar-

ket turbulence.

To further prepare yourself for downturns you may also want to diversify your fixedincome holdings to include investments such as U.S. Treasury bills, certificates of deposit (CDs) and municipal bonds. The percentages of each type of investment within your portfohe hased on your goals ris

ance and time horizon. Finally, you can help yourself maintain an even-keeled approach to investing by always looking for quality. Typically, higher quality investments fare better during market declines and recover more quickly when the markets rebound. How can you judge whether a particular investment is of good "quality"? A long-term track record is useful to study. It's certainly true that, as you have no doubt heard, "past performance is no guarantee of future results," but it's nonetheless valuable to know how a particular stock, for example, has performed in various economic environments. If it seems to have done well relative to others in its industry and over long periods of time, that may give you a good idea of its quality

It's never easy to take all the emotions out of investing, especially during periods of market volatility. After all, you count on your investments to help provide you with the type of future you've envisioned. But by focusing on the fundamentals, putting together an appropriate investment mix and constantly looking

for quality, you can help "de-stress" yourself - and, as the American poet, novelist and historian J.G. Holland once said, "Calmness is the cradle of power."

IDENTITY THEFT

Identity theft is a form of taking, accessing, or using someone's personal information such as their name, Social Security Number, or credit card number, without their permis-

sion, pretending to be someone else, assuming another's identity, or creating a fake identity. There are many

types of identity theft: • Financial – occurs when someone uses another's identity to obtain credit, goods, or services.

• Medical – occurs when someone uses another's identity to obtain medical care or drugs

• Insurance - occurs when someone uses your information to obtain insurance coverage or benefits or to obtain credit, goods, or services. Auto insurance, personal property insurance, and health insurance are all subject to abuse.

• Synthetic - occurs when someone uses various data elements to others in order to create a synthetic or fake person.

• Driver's License - occurs when someone obtains a driver's license using your personal information.

 Criminal – occurs when someone poses as another person when being investigated or apprehended for a crime.

 Social Security – occurs when someone uses your social security number to start a new life.

The Attorney General's Office has set up a hotline to help you recognize and report identity theft. Complaint investigators will also help advise victims of identity theft. Call the Attorney General's Consumer hotline at 1-800-392-8222.

Senior Citizens Stay Alert

Common scams against Senior Citizens include home repair fraud, doorto-door sales, travel scams and telemarketing fraud. There are scam artists who deliberately target seniors, hoping to take their money before they are exposed. Spring is here – storms are bound to occur. Scam artists wait for this chance to prey on senior citizens. If someone comes to your door and you don't know them – don't answer the door. If they don't leave – call the police at 831-7000. The police can come by and make sure the person at your door or in your neighborhood is legitimate and has a license to go door-to-door. If you need home repair you should call a company or a person that you know you can trust. If you receive a phone call from someone saying they are from Social Security, your medical or car insurance company, the Department of Revenue, your bank – under any circumstance - do NOT give them ANY of your personal information. If you have a letter, or received a phone call or were approached by someone that you think is a scam artist – call the Attorney General's Office at 1-800-392-8222 and report that.

Spring Street Work Projects

Now that spring is here and we are getting some great weather for construction, the Street Department is very busy repairing the streets from winter. We are currently concentrating on potholes and patching the 100-plus streets that will get a slurry seal this summer. There will be a lot of other street work, as well, as we are contracting out over \$300,000 of major street repairs that will have concrete slabs repaired and then an asphalt overlay. Approximately 25 to 30 other streets will receive concrete repairs by our contractors.

When work is being done in your area, keep safety in mind. Drive slow and use caution. At times, there will be detours and weather related delays that cannot be avoided. Please be patient and be courteous to the workers. Everyone's safety is our main concern.

Our sewer lateral crew is very busy, as always, repairing sewers and restoring the yards when the work has been completed.

For more information or to report any street problems, you can contact the Florissant Street Department at 314-839-7652.

2015 City of Florissant Beautiful Home Awards

The City of Florissant is conducting its Beautiful Home Award Program again this year. The program was established to celebrate the American Dream of home ownership and recognize homeowners who take pride in the appearance of their

home and community.

In order to be eligible for the contest a home must be an owner-occupied single family dwelling. Residents may nominate either their own home or other homes in the city. The judging criterion includes, but is not limited to, landscaping, attractive exterior, overall curb appeal and maintenance of the property.

One winner will be chosen from each of the city's nine wards. The

winners will receive recognition from the City 🗲 Council, including a certificate of appreciation and a Beautiful Home yard sign. Previous winners must wait three (3) years before considera-

tion for another award. Nominations must be submitted with a current photo and may be mailed or hand delivered to the Community Development Office in the Government Building @ 1055 St. Francois or sent via email to tkammermeyer@florissantmo.com. All nominations must be received no later than noon Friday May 29, 2015.

HAPPY EARTH DAY!

What is Earth Day? How did it begin? How did it affect the city of Florissant? These are questions that are frequently asked every year around April 22nd. The idea of

Earth Day actually evolved over a period of seven years starting in 1962. U.S. Senator Gaylord Nelson had been troubled for some time about the state of our environment and

felt that the environment was simply a non-issue in the politics of the country. So in November, 1962, he and others in the government persuaded President John Kennedy to go on a national conservation tour and in September, 1963, the evidence of environmental degradation was appearing in many parts of the nation. It wasn't until 1969, however, when Senator Nelson was on a speaking tour about the environment, that he had the idea of a grassroots protest over what was happening to our environment. So, in the spring of 1970 Nelson made the idea of Earth Day one of his major priorities. The press picked up on the movement idea and reports were seen in newspapers around the U.S.

Forums were held, which sparked the interest of the American people around the U.S. Finally on Sunday, Nov. 30, 1969, The New York Times carried a lengthy article about the rising concerns about the environmental crisis. What followed was a national day of observance of environmental problems coordinated by Senator Nelson's office and staff.

Finally on April 22, 1972, the first Earth Day was held and as Senator Nelson put it, "Earth Day" worked because of the spontaneous response at the grassroots level. We had neither the time nor resources to organize 20 million demonstrators and thousands of schools and local communities that participated. That was the remarkable thing about Earth Day. It organized itself!"

Fast forward to the present day. Do we

still need an Earth Day? You bet! The problems of the environment have increased with

> global climate change taking center stage. Our fight to protect and preserve the environment is more important than ever.

Ward

What is Florissant's response to the world's environmental crisis? In the year 2005, Mavor Robert Lowery Sr. signed the Sierra

Club's U.S. Mayoral Climate Protection Agreement, making Florissant a "Cool City." In doing so, Mayor Lowery committed the city of Florissant to curbing global warming in our community. The reestablishment of the Environmental Quality Commission (EQC) in 2006 and changes in the city's building and operation practices, based on an energy audit done in 2009, were the first steps toward the goal. By signing on to the original agreement in November 2011, our current Mayor Schneider continued the city's commitment to curb our carbon emissions. He did this by increasing conservation and by investing in clean technology, such as installing solar panels on government buildings and replacing existing incandescent with fluorescent cool bulbs in city buildings. The Environmental Quality Commission is actively partnering with local businesses that have instituted or are willing to institute environmentally friendly policies and practices. This initiative is known as the Cool City Business Agreement. The city is actively seeking additional businesses that wish to join our six current cool city businesses! Our single stream recycling program developed in association with Meridian Waste Haulers has made recycling a city wide priority!

So what does the future hold? It is our hope that our city and its residents, YOU, will continue to be the environmental model for the rest of St. Louis and St. Louis County. Let's make "Earth Day" mean something more than just words on paper!

Florissant's Proud Tradition of **Celebrating Independence Day**

The tradition continues this year on the grounds of the James J. Eagan Center at Florissant Valley Park. Festivities begin with an outdoor concert performance by Northwinds Concert Band at 7:30 pm. Following the concert. the City of Florissant is sponsoring its renowned Fireworks Display at dusk. This year's extravaganza features a dazzling fireworks presentation combining brilliant shells, color sequencing, dimensional frontage, and low and high level aerial combinations. It will be an evening filled with great music and stupendous fireworks! Bring your blankets and your lawn chairs to enjoy this top-notch, FREE entertainment for the entire family.

Safety Town Returns For 2015

The Florissant "SAFETY TOWN" program will be returning for the eighteenth year. Florissant "SAFETY TOWN" is sponsored by the Florissant Police Department, Florissant Rotary Club, Stygar and Sons Funeral Homes, and the Hazelwood and Ferguson/Florissant

"SAFETY TOWN" is a nationally recognized safety program for 4, 5, and 6 year old pre-school children. Topics such as Walking Safety, Bicycle/Tricycle Safety, School Bus Safety, Poison Safety, Playground Safety, Stranger Danger, Tool and Toy Safety will be covered. A visit from the Florissant Valley Fire Protection District is also scheduled.

This comprehensive program allows children ages 4-6 the opportunity to see a Police Officer as their friend and teacher. They learn about safety issues through classroom interaction as well as through interactive play in a miniature town, complete with stop signs, buildings, electric signals and the like.

This year, Safety Town will be held

from July 6th thru July 17th Monday thru Friday. There will be two sessions offered-either 10:00am-12:00pm or 1:00pm- 3:00pm. Both sessions will be held at Parker Road Elementary. The cost for the two week session is \$15.00. For more information, please contact Officer Lessie Summers lsummers@florissantmo.com

FEE: \$15 for AARP Members, **\$20 for Non-AARP Members**

The A.A.R.P. "Driver Safety Program" is a 4-hour classroom refresher that can help you learn the effects of aging on driving and how you can adjust one's driving habits to remain safe on the road. This pro-

gram is sponsored and presented by AARP and targets drivers 50 years of age and older. AARP provides a certified instructor to teach the program.

Many insurance companies offer reduced insurance rates for those who successfully complete the course. Check with your insurance company to see if you qualify.

To register contact Officer Craig DeHart at the Florissant Police Department's Public Information Unit at (314) 830-6042. Seating is limited so drivers are encouraged to register early to reserve a spot in the class. REGISTRATION IS REOUIRED.

Free Gun Locks Available from the Florissant Police

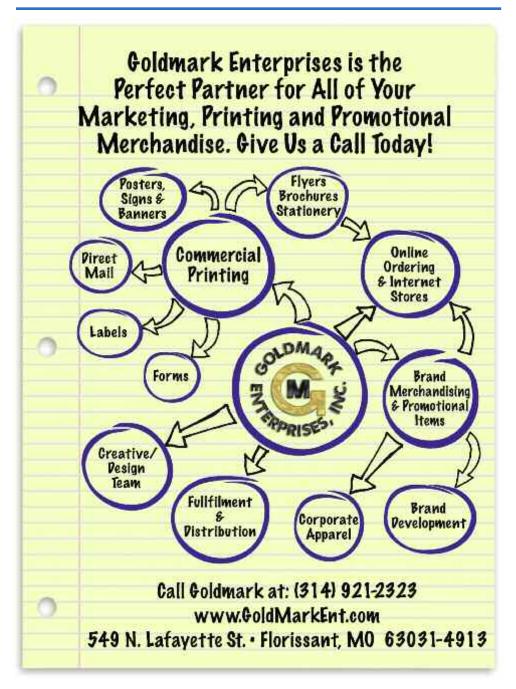

The Florissant Police Department has received free gun locks from the Project ChildSafe program for distribution free of charge for local residents. The Project ChildSafe program is a nationwide firearm safety education program developed by the National Shooting Sports Foundation and supported by the firearm industry.

The Florissant Police Department encourages everyone who owns a firearm to store it in a location inaccessible to children or other unauthorized persons. Ammunition should be stored in a separate location. A key goal of the program is to prevent a loaded firearm from being left lying around the house where a child could pick it up and play with it. If you have any

questions or need further information about Project ChildSafe, see the Program's website, projectchildsafe.org.

To obtain a free gunlock please contact Officer Craig DeHart at the Florissant Police Department by phone 314-830-6042 or by e-mail cdehart@florissantmo.com.

Home Security Tips for While You Are On Vacation

With vacation season guickly approaching, the Florissant Police Department wishes to pass along a few tips to keep your home secure while you are on your trip:

1). Don't talk about it! Be cautious about who you tell about your trip. It is okay to tell a neighbor that you trust, but be careful about letting your whole neighborhood know that your house will be empty for an extended period of time. Also, don't post comments of social networking sites that you are leaving for a trip, or post comments while you are on vacation. You never know who is seeing those comments, and you don't want to advertise the fact that no one is at your house.

2). Use timers! Hook up timers to lights, televisions, and radios, and adjust the timers to your normal routine. This will help hide the fact that

3). Lock up! Before leaving, make sure all of your doors, windows, garages, and sheds are secured. 4). Remember your mail! It is a good idea to request the post office to hold your mail while you are on vacation. This can be done either thru their website, or you can fill out a form at your local post office. Another option is to ask a trusted neighbor to collect your mail and newspapers while you are away.

5). Remember your answering machine and email! Don't tip anyone off that you will not be home by creating a new outgoing message for your answering machine saying that you are on vacation. Also, be cautious on what you put in automatic reply email messages.

6). Lock away your valuables! Keep valuables and important documents in a fire safe box or a safe deposit box. Also, it is always a good idea to record the serial and model numbers for your valuables so you can accurately report them missing if needed. 7). Park a car in the driveway! Give your home an appearance that someone is living there by asking a trusted neighbor to park his or her car in

your driveway while you are away. 8). Outdoor lighting! Consider motion sensing lights on the outside of your house. Criminals typically do not want to be seen, so if a light comes on as they are walking around your house, it may prevent you from becoming a victim.

9). Make notifications! If you have an alarm system, make sure that they know how to get ahold of you while you are away. This can also be said about the trusted neighbor who is picking up your newspapers and mail, and who is parking a car in your driveway.

10). Complete a Vacation Check Form! The Florissant Police Department offers a free program to its residents where we check your house daily while you are on vacation. You can complete this form on our website at www.florissantmo.com/police or you can fill out a form at the Florissant Police Department.

The Florissant Police Department wishes all of the residents of Florissant a safe and happy summer! For any questions, call Officer Craig DeHart, the police department's Community and Media Relations Officer, at 314-830-6042 or cdehart@florissantmo.com.
