**NEWSLETTER / NEWS RELEASE  
From the Office of the Mayor**

**FOR IMMEDIATE RELEASE**

**JUNE 22, 2020**

**MAYOR LOWERY AND CHIEF FAGAN REMIND THE PUBLIC THAT  
FIREWORKS ARE PROHIBITED BY LAW IN FLORISSANT.**

[Over 200 people](#) go to the emergency room on or near the fourth each year. People die from different fireworks related accidents. The recent wet summers prevented an increase in the potential of fireworks induced fires but we may not be as fortunate in the future. Small children and family pets can be terrorized by fireworks.

According to our Police Department the City of Florissant and the Nation has experienced a noticeable increase in the amount and size of the pyrotechnics that individuals are using near the 4<sup>th</sup> of July and New Year's Eve which has resulted in complaints of peace disturbance.

A more disturbing trend is the national increase in the discharge of Fire Arms for the 4<sup>th</sup> of July and New Year's. What goes up must come down and spent bullets can kill or maim a child, adult or pet and cause expensive property damage. Discharging firearms is always illegal and violators will be prosecuted to the full extent of the law.

**The sale, possession and use of Fireworks are prohibited by law in section 215.020 of our City Code which was enacted by the City Council several decades ago.** This Administration has placed a renewed priority on enforcement of this ordinance in an effort to prevent death, injury, fires and disturbance of the peace. Violators will be subject to a fine of up to \$1000.

The public is encouraged to notify the Police Department at 314-831-7000 of any illegal Fireworks or Firearms activity.
