**CITY OF FLORISSANT AND THE H3 GROUP ANNOUNCES
TWO PUBLIC WORKSHOPS FOR THE PUBLIC TO ATTEND**

The City of Florissant is currently updating its City-wide Comprehensive Plan as well as its plan for Old Town Florissant. A Comprehensive Plan is a policy guide used by City staff, the City Council, Planning and Zoning and other area leaders for making decisions relating to the long-term development, improvements, services, and investments in local amenities, such as parks.

After a series of public meetings in July and August, we have wrapped up our public workshops for Old Town and we are now turning our focus on the City. Your input and ideas are very important in making Florissant an even better place to visit, live, work and play.

If you have any questions or would like to be added to our mailing list, please email FloCompPlan@gmail.com. Please join us to help plan the future of Florissant!
