Project: City of Florissant Self
Perform PW22-3477 - Florissant, Mo
Attn: Estimating Department

November 29, 2021

The following are unit prices for delivered ready mixed concrete on the referenced project:

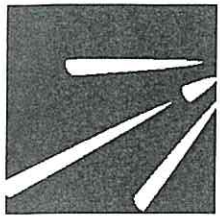

6.5 sk Finish Sand with C Gravel		\$114.00 pcy
6.5 sk Finish Sand with Stone		\$114.00 pcy
6.5 sk. River Sand with Stone or C Gravel		\$110.00 pcy
Extras products for concrete production, to be added as an additional price only		
Finish Sand (required where ASR is a concern) (Included above if listed) (if available)		\$ 4.00 pcy
Delignited River Sand (less than .05% lignite) (if local finish sand is unavailable)		\$ 4.00 pcy
Type A Water Reducer (3oz/cwt) (add to .48 w/c to get a .45 w/c at 4" slump)		\$ 1.25 pcy
Mid-Range Water Reducer (6oz/cwt) ≤ 6" Slump (add to .48 w/c to get a .42 w/c at 4" slump)		\$ 2.50 pcy
Mid-Range Water Reducer (7-8oz/cwt) > 6" Slump ≤ 8" Slump		\$ 5.00 pcy
High Range Water Reducer (HRWR) Up to 6 sk-4000 psi mixes		
add \$1.00 per cubic yard for every sk(or part thereof) above 6 sk		\$ 5.00 pcy
2 oz/cwt Hydration Stabilizer (up to a 6sk mix, above 6sk please add \$0.70yd per sack)	add	\$ 4.00 pcy
4 oz/cwt Hydration Stabilizer (up to a 6sk mix, above 6sk please add \$1.40yd per sack)	add	\$ 8.00 pcy
1% Non-Chloride Accelerator		\$ 5.00 pcy
1% Calcium Chloride		\$ 2.00 pcy
Retarder (See Hydration Stabilizer)		
Cooling with Chiller (where available)		\$ 7.00 pcy
Cooling with Ice		\$ 8.00 per 20# bag
Heat (out of season / typically on high early applications)		Negotiated
Winter Service (Mandatory 11/01 – 3/31)		\$ 5.00 pcy
Sack Differential- Down from a 5 sack mix		\$ 2.00 pcy
Sack Differential- Down to a 5 sack mix		\$ 4.00 pcy
Sack Differential- Sack increase (Up)		\$ 7.00 pcy
Price Expires	12/1/2022	
<u>Waiting Time</u>	Reg. Time - \$1.75 per min. ~ Overtime - \$2.00 per min.	
<u>Less Than Lot Loads</u>	2 to 2.75 cubic yards - \$100.00 ~ 3 to 3.75 cubic yards - \$75.00 4 to 4.75 cubic yards - \$50.00 ~ 5 to 5.75 cubic yards - \$25.00	

Please call sales for pricing when removing products from mixes. Additional cementitious and water reducer may be required when adding fibermesh. The prices above do not include sales tax, but the delivered prices do include a \$30.00 pcy haul charge which is not taxable at this time. A minimum of 2 cy is required per order/delivery. Kienstra cannot meet 8-18 gradation requirements with locally available materials. Some concrete will weigh less than 142 pcf wet. The prices are valid if accepted within 30 days of above bid date. Prices are subject to change with 60-day notice. Bid is subject to credit approval and project qualifications. Terms: Net 30 days. The prices apply to loads delivered between 7:00 am and 3:30 pm excluding Saturdays, Sundays and Holidays and apply to loads greater than 5.75 cubic yards and a pouring rate of 5 minutes per cubic yard. The prices quoted are valid if the Ready Mix Supplier (RMS) is awarded the entire job. The prices quoted may vary due to changes that result from the interpretation of the job specifications, from the ultimate approval of the mixes by the customer, owner and/or engineer. Prices may also vary due to the lack of material availability. Laboratory testing of any kind is NOT included in the above prices. RMS is not responsible for costs incurred in obtaining Modulus of Elasticity data. All testing must adhere to ASTM and ACI specifications in order to be considered valid. All placing, curing and protection of the concrete must follow ACI practices and is the sole responsibility of the purchaser with no liability assumed by the RMS. The RMS will not be responsible for filling out the MODOT 501 checklist and job specific QC/QA is not included in above pricing. Chloride Ions are not the responsibility of the RMS. All of the above terms and conditions are accepted by the purchaser when the first load of concrete is ordered for the above referenced project. If there is any other information you need please contact us.

Sincerely,
Patrick Shrewsbury

NEW FRONTIER MATERIALS

November 29, 2021

City of Florissant, MO
Purchasing Department
955 Rue St. Francois
Florissant, MO 63031

BID: PW22-3477 (ATTACHMENT)
DUE: Monday, November 29, 2021 @ 2:00 p.m.

This **ATTACHMENT** should be considered part of the above referenced bid.

Plant location operating hours are subject to change. Please call our Resource Integration Center for daily operating hours and schedule at 314-739-8855:

(N) North - 11900 Prichard Farm Rd, Maryland Heights MO 63043 (Rock)

(N) North- 2305 Creve Coeur Mill Rd, Maryland Heights, MO 63043 (Asphalt)

(FB) Fort Belle - 14203 Lewis & Clark, St. Louis, MO 63034 (Asphalt)

All delivered prices are subject to an 18 ton minimum haul and waiting time after 15 minutes on the job at a rate of \$60.00/hour. 24-hour notice is required for delivered loads. Please call our Resource Integration Center for order placement (866) 739-8855.

Asphalt pricing is based on supply of Bituminous Base and Pavement (Section 401) of the current MoDOT Standard Specifications for Highway Construction.

- **WINTER PRICES** are effective 1-1-2022 thru 2-28-2022 and supersede quoted pricing.
- **Locations are seasonal** and will require a minimum of 200 tons to open.
- **Plant opening charges** for 200 tons or less = \$3,500 based on a maximum of 8 hours.

ESCALATION CLAUSE: Asphalt mix prices are subject to change on a monthly basis.
