From the Office of the Mayor

FOR IMMEDIATE RELEASE

JULY 28, 2022

**CITY OF FLORISSANT CONTINUES TO WORK WITH GATEWAY DISPOSAL TO
ASSIST RESIDENTS AFFECTED BY THE RECENT FLASH FLOODING**

Mayor Tim Lowery would like to announce that starting on Monday, August 1st through Friday, August 5th, Gateway Disposal drivers will come by residents' homes and pick up **flood damaged items only** that were destroyed during the recent flash flood that hit our area. Items must be placed at the curb to be picked up. Residents will need to call the Florissant Health Department at 314-839-7654 to make arrangements to get their address on the list. That list will then be sent to Gateway Disposal.

For that week yard waste will be suspended and will start again the following week.

The following **items will be accepted** with no exceptions:

Couches, chairs, tables, mattresses, box springs, area rugs, head and foot boards, bed frames, dressers, chests, entertainment centers, lawn equipment **with all oil and gas drained**, clothes as long as they are boxed up, carpet that has been cut up into small manageable rolls due to weight and all glass must be taped so it does not shatter on street or workers.

Items that **will not be accepted**:

Car parts of any kind, batteries, tires, hazardous materials, electronics of any kind, computer monitors and printers, construction materials which includes drywall and 2x4s, rock and concrete bricks.

Mayor Lowery would like to thank everyone for their patience and cooperation.

The free bulk pick up day is still scheduled for Sunday, July 31st from 7:00 a.m. to 12:00 p.m. at St. Ferdinand Park.
