Types of loans available for businesses of all sizes are:

- For Property Damage: Up to \$2 million to repair or replace damaged or destroyed real estate, leasehold improvements, machinery and equipment, inventory and other business assets that were damaged or destroyed as a result of the disaster and are not fully covered by insurance or other recoveries. These loans are available to businesses of all sizes and private, nonprofit organizations.
- For Economic Injury: Small businesses may qualify for Economic Injury Disaster Loans (EIDLs) of up to \$2 million to help meet financial obligations and operating expenses which could have been met had the disaster not occurred. Eligibility for these loans is based on the financial impact of the disaster only and not on any actual property damage.

No appointment necessary. Services offered (no charge for any service):

- Direct access to SBA Customer Service Representatives and disaster loan information
- Help in completing SBA disaster loan applications
- Learn how an SBA disaster loan can help you pay for your losses
- Missouri Small Business Development Center business advisors can provide assistance to clients on a wide variety of matters designed to help small business owners re-establish their operations, overcome the effects of the disaster and plan for their future. Services include assessing business working capital needs, evaluating the business's strength, cash flow projections, and help to evaluate alternatives and make decisions that are appropriate for their situation.

Contact SBA: Call (800) 659-2955 if you can't visit the center, need help or have questions.
