Gun found at McCluer High School

FLORISSANT, MO- On February 12, 2019 McCluer High School administration received a report that a student had a loaded handgun on the school campus. School administration along with a Florissant Police School Resource officer immediately investigated and located the student and the handgun. The student was arrested and the case will be forwarded to the St. Louis County Prosecuting Attorney's office.

A second student who is a juvenile was also arrested for taking possession of the gun from the other student and hiding it in a book bag. This student was referred to St. Louis County Family Court.

We are committed to working with our School Districts in order to keep our schools a safe and secure learning environment and this continues to show the great working relationship that our school resource officer has with school administration. For anything further please contact the Ferguson Florissant School District.
