Please join us to help plan the future of Old Town!

The City of Florissant is currently updating its City-wide Comprehensive Plan as well as its plan for Old Town Florissant. We are hosting Public Workshops to get your input on what makes Old Town great and what should be improved. Please join us on the dates and times listed on the other side of this postcard. Your input and ideas are very important in making Old Town an even better place to visit, shop, live, work, and play!
