Florissant, Mo. 63031
Petitioner – Ms. Kathy Dickason

An exterior inspection was made by Code Enforcement Larry West on October 11, 2016. During this inspection Officer West wrote up several items at the property located at 120 Pompano Lane one of which is a tree stump. Officer West requested to “remove tree stump from rear yard”

The homeowner has asked that “the stump be allowed to deteriorate like God intended it to. The stump is in the back yard and is not visible to very many people.”
