Message from the Mayor

Greetings everyone,

Welcome to another edition of the Florissant Spotlight magazine. I hope everyone has been well and doing the best they can under the circumstances we all have faced the last few months. We continue to take one step at a time as we continue to navigate the COVID-19 situation, we will get through this together. We have always been a community that comes together in a time of need. Always remember, WE ARE FLORISSANT STRONG.

I appreciate the cooperation and patience of our residents as we continue to move forward. We will continue to take precautionary measures to help ensure the safety of our Florissant community and employees while providing the highest level of city services.

The situation remains fluid and things do change daily. There will be some minor changes with the next two editions of the Florissant Spotlight magazine through the end of the year. They will be shorter to provide the best up to date information regarding events, meetings, and activities that are scheduled.

Valley of Flowers

The 58th Annual Valley of Flowers is currently scheduled to start on Friday, July 31st and run through Sunday, August 2nd. All festivities will be held on the Knights of Columbus grounds. This year's theme is celebrating the St. Louis Zoo. The traditional parade will be held on that Sunday, August 2nd, starting at 1:45 p.m. For updates and more information please visit the Valley of Flowers website at www.florissantvalleyofflowers.com. We look forward to seeing you all there.

Electronic Recycling Event and Document Shredding Event

The City of Florissant along with Midwest Recycling Center (MRC) will host an electronics recycling collection event on Saturday, August 8th, from 9:00 a.m. to 1:00 p.m. (or until trucks reach their capacity) in St. Ferdinand Park at the rear parking lot. Signs will be posted at park entrances to direct you on where to go. This event is open to the public and will be held rain or shine.

The 8th Annual Florissant Resident "Free Document Shredding Day" will be held on Saturday, August 15th at St. Ferdinand Park. The event is from 9:00 a.m. to 12:00 noon (or until trucks reach their capacity). Bring your sensitive tax, bank, or financial records from home to be shredded right in front of you. Shred-It will professionally shred your information. All information will be destroyed in a manner to which it cannot be recognized or recreated. All paper will then be recycled. You will be directed on where to go. This event is open to the public.

US Census

Here's an easy way that you can help your community — Take 10 for Florissant! You might have heard that the 2020 US Census deadline was extended to August 15th. When you take 10 minutes to answer the census, you're helping your community with an accurate count so that we can participate in federal programs and get funding for projects right here in Florissant. Accurate information also helps with things like economic development to attract new businesses and jobs and to keep businesses here in Florissant.

The information that the 2020 Census collects will help determine how more than \$675 billion worth of federal funding is distributed to states and communities each year. The census is also important in many other ways, including decision making at all levels of government, drawing federal, state and local legislative districts and attracting new businesses to state and local areas.

The census provides critical data that lawmakers, business owners, teachers, and many others use to provide daily services, products, and support for us and our community. Every year, billions of dollars in federal funding go to hospitals, fire departments, schools, roads, and other resources based on census data.

Remember, you will have three options for responding, on-line, by phone and by mail. You count and you matter. Please take 10 to fill out your census today.

Hispanic Festival

Organizers from the Hispanic Festival, Inc have rescheduled the Hispanic Festival for Saturday, October 3rd, and Sunday, October 4th. The event will be held at the Knights of Columbus grounds. More details to come as the we get closer to the event.

Fall Festival

Planning for the 23rd Annual Fall Festival event, which takes place on the second Sunday in October (this year it is scheduled for October 11th), will begin in early July. The Fall festival is held in Old Town on St. Francois street with 11 city blocks of food, entertainment, crafts, and retail vendors. We hope to proceed as scheduled for this popular event.

At the time of this message, we continue to work through our pandemic situation and continue to provide the best services to our residents in a safe and efficient manner. As we all know we have all faced some very unsettling and frustrating times. I thank you again for all of your cooperation and patience. We are all in this together, and we all have a role to play. The City of Florissant is here to support you throughout these difficult times and will be doing everything possible to ensure the health and safety of our community. It is important that we remember our community's values of being safe, inclusive, and welcoming. Information does change daily so please stay updated by visiting our website at www.florissantmo.com and all of our social media outlets or call 314-921-5700. I hope to see everyone in the coming months at some of our upcoming events.

Police Department

2020 Public Safety Citizen's Academy

Florissant Police Chief Timothy Fagan and Florissant Valley Fire Protection District Chief Jason Hoevelmann are happy to announce that their two agencies will be cohosting the annual Public Safety Citizens Academy starting on September 1st, 2020. The course will be held every Tuesday from September 1st thru November 3rd from 6:30-9:30pm at the Florissant Police Station or the Florissant Valley Fire Protection District, Fire House #1.

The Citizen Academy is a 10-week educational, citizen involvement activity designed by the Police and Fire Departments as part of their goal to be involved with the residents that they serve. The goal of this class is to promote understanding between citizens and police officers and fire fighters regarding their respective needs and concerns. By promoting this understanding it is hoped that the citizens and police and fire departments will work better together.

This is a unique opportunity for citizens to experience a taste of police and fire training through classroom participation and practical exercises. Some areas of training include narcotics investigation, traffic crash investigation, crime scene processing, firearms, first aid, fire science, vehicle extraction, fire attack, and more. Role-playing is done to emphasize the training.

We are currently taking reservations for the next Citizen Academy class. The Academy is open to residents age 18 and over who complete the application process and sign a liability waiver. It should be noted that physical activity will be required when doing some of the practical exercises. There is no cost to attend the Academy. Participants will receive a Public Safety Citizens Academy T-Shirt to be worn on academy nights. The class will be limited to 15 participants.

Disclaimer: In the event that future health guidelines prevent this program from occurring, the Public Safety Citizens Academy may be rescheduled or canceled.

Anyone interested in attending this class can obtain an application on the Florissant Police Department's website at www.florissantmo.com under Action Center or call or email Officer Steve Michael at 314-830-6042 or smichael@florissantmo.com

Golf Cart drivers can be ticketed by the Florissant Police Department and processed through the Florissant Municipal Court system.

Neighborhood Watch Program

This program encourages citizens to take an active role in keeping their neighborhoods safe by reporting suspicious activity, practicing effective personal safety techniques to reduce the risk of becoming a victim of a crime, watching out for each other in their neighborhood, and staying in touch with fellow neighbors to encourage keeping your neighborhoods safe and free from crime. Chief Fagan says, "Our residents are our eyes and ears in the neighborhoods, and this is a very important program that relies on help from our residents."

Those who volunteer to become a block captain will be trained on how to conduct a neighborhood watch meeting, pass along important safety information, discuss issues in the neighborhoods, and keep their group members up to date on crime in their neighborhoods.

You can also register for the Florissant Neighborhood Watch Program by picking up a form at the Florissant Police Station or by visiting our Department website and filling out the registration form online. If you're interested in finding out more about the Florissant Neighborhood Watch Program or you're considering becoming a Block Captain contact Officer Steve Michael at (314) 830-6042 or visit our website at www.florissantmo.com/police.

The Police Department would like to take this opportunity to encourage our residents to keep their outside lights on all night long to help illuminate our streets and deter criminal activity in our neighborhoods. New LED bulb technology allows this to be done at a minimal cost in electricity to our residents. Please join this effort to increase safety in our community.

Senior Citizens: Avoid Coronavirus Scams!

Report any suspected fraud or scam to the Federal Trade Commission at [ftc.gov/complaint](https://www.ftc.gov/complaint) or 202-326-2222.

- Don't respond to texts, emails or calls about checks from the government – Social Security, Stimulus or IRS.
- Ignore online offers for vaccinations – there are no products proven to treat or prevent COVID-19
- Don't respond to ads for test kits
- Contact tracing plays a vital role in helping to stop the spread of COVID-19. Scammers may pretend to be contact tracers. A valid tracer will NOT ask for personal information like a Social Security Number, bank account information or credit card number.
- Hang up on robocalls
- Watch for emails/calls claiming to be from the CDC (Centers for Disease Control) or WHO (World Health Organization) or Social Security. These calls/emails are scams.
- Fake Charities: When a major health event – like the Pandemic – happens, you might be looking for ways to help. Scammers use the event to take advantage of your generosity. Never donate in cash, by gift card, or by wiring money. YOU call the organization that you want to send a donation to and get the proper mailing/donation information.
- Undelivered goods: Online sellers claim they have in-demand products like hand sanitizers, health or cleaning supplies. You place your order with payment and never get your shipment. Only order from sites that you know are safe.

Given the fluidity of the situation, all information in this booklet is subject to cancellation or change as restrictions and guidelines continue to change. Please check the city's various social media channels as well as www.florissantmo.com for updates concerning items affected by new guidelines that may be released and new virus developments.

Resident and Nonresident Definitions

A Florissant resident is one living within the defined city limits of the City of Florissant and listed on the occupancy permit. City limits and Post Office boundaries are not the same, so it is possible to have a Florissant mailing address yet live outside the city. Check with the Recreation Staff to see if your address qualifies for resident status. See information below on obtaining a resident card. Family passes consist of four individuals living in the same household and listed on the occupancy permit if applicable. Additional members may be added if they are eligible for \$20 per person for residents and \$30 per person for nonresidents. Anyone wishing to use the facility must have a resident or nonresident identification card which will be kept at the reception desk during their use.

Resident Card Information

A current Florissant resident card allows Florissant residents to do the following:

- Receive free admission to the gymnasium and game room at the JJE Center and JFK Community Center.
- Obtain a pavilion rental permit for one of our many parks.
- Register early for programs and classes (before nonresidents).
- Pay resident rates for admission to facilities, programs, and classes.

To Obtain or Renew a Florissant Resident Card

Everyone in the household, including all children receiving a card, must be listed on the occupancy permit. This will be looked up in our system by recreation staff. Paper copies of the occupancy permit will be accepted for 60 days from the date of original issue only. In addition, residents who rent their home must bring a photo ID and proof of residency. Residents who own their home and are listed on the occupancy as the owner and occupant only need to bring a photo ID. See below for proof of residency requirements:

17 YRS and Under

Must be accompanied by a parent or legal guardian as proof of residency.

21+ YRS

Utility bill showing service address that matches resident address. Electronic copies will be accepted. Must be dated within 30 days of current date.

Paycheck stub (mailed or electronic stub), mailed bank statement, monthly business statement (cell phone, credit card, etc). Must be dated within 30 days of current date.

18-20 YRS

May either be accompanied by a resident parent/legal guardian OR present a proof of residency item listed to the left in their own name.

Resident Card Fees

Youth (4-17YRS)	\$3
Adult (18-59YRS)	\$4
Senior (60+YRS)	\$3

Resident/nonresident cards are valid for two years from the date of purchase. If your card is lost during this time and you need a replacement, a \$5 fee for all ages will apply for each replacement card. Nonresidents wishing to purchase a daily facility pass must have a nonresident identification card which will be held at the reception or fitness desk and returned upon their departure from the facility. Nonresident card fees are the same as a resident card fees. A photo ID or parent/guardian must be present (for minors under 18) in order to make a nonresident card.

All resident/nonresident cards are the property of the City of Florissant and must be shown or surrendered to city employees upon request. For safety and security of our staff and guests, cards will be kept at the desk during usage of the facility and returned upon their exit.

Florissant Business Owners

The owner of any business located within the city limits, along with immediate family members living in their household, shall be deemed a resident and therefore eligible to receive a resident card. This applies to the individual listed on the business license only. To obtain a resident card as a business owner in the city, you must visit the JJE Center or JFK Community Center with a photo ID. You will only be issued a card upon verification of your business ownership and current business license through the Finance Department. This verification can only be done M - F 8:00A - 5:00P. It may take up to two business days to verify.

Resident/nonresident cards can be made up to 30 minutes prior to facility closure at either JJE or JFK Community Centers. See page 11 for facility hours.

Living Memorial Tree Program

Honor your loved one with a living memorial through our Memorial Tree Program. To participate in the Living Memorial Program, the donor selects a tree from a predetermined list of trees and pays the City the cost of that tree. At the donor's request, the tree will be planted in one of the city's beautiful parks. As acknowledgment of the donation, an engraved brass plate will be installed in the Living Memorial Display located at the lower level of the James J. Eagan Center. The donor will receive a certificate suitable for framing. Contact Sarah Skaggs at sskaggs@florissantmo.com or 314-921-4250 for more information or to request your memorial tree.

Please note that the hours of the facilities may be modified at the time of this publication due to COVID-19. Check with the facility you would like to use before visiting to verify current operating hours.

The class begins with a gentle warm-up in the pool. From there, you'll ease into the exercises using your own body weight, water resistance dumbbells, and noodles. This cardio and resistance training class will have you splashing your way to improved strength and overall refreshment. No swimming experience? No problem! This class is held in the shallow end of the pool.

Water Works!

Take the plunge and try this low-impact workout that builds muscle strength and boosts your endurance. Each class includes a warm-up, cardio and strength-training exercises, and a cool-down. Expect exercises like water walking, bicep curls, leg lifts, and noodle moves. You won't be swimming, and these water workouts are done in the shallow end of the pool. The buoyancy of the water is easy on your joints. That makes water aerobics a good choice if you have joint problems, chronic pain, or are recovering from injury.

Deep Water Aerobics

As you submerge yourself into the deep end of a pool for a water fitness workout your body becomes nearly weightless, giving you a new kind of workout challenge. While deep water aerobics has a low impact on your joints, it has a high impact on your cardiovascular system, improving your overall health and fitness, and aiding weight loss and maintenance. Swimming ability is recommended as this class is held in the deep end of the pool.

Aqua Zumba

Aqua Zumba gives new meaning to the idea of an invigorating workout. This class takes place in our indoor pool. Splashing, stretching, twisting, and even shouting, laughing, hooting and hollering are often heard during an Aqua Zumba shallow water class. Integrating the Zumba formula and philosophy with traditional aqua fitness disciplines, Aqua Zumba blends it all together into a safe, challenging, water-based workout that's cardio-conditioning, body-toning, and most of all, exhilarating beyond belief.
