FLORISSANT'S WEBSITE GETS A NEW FRESH LOOK

Mayor Tim Lowery is pleased to announce that after a year of planning and development, the City of Florissant has a new updated website. Some of the highlights on what the new website has to offer are listed below:

- Streamlined interface, including new menus, for a better user experience.
- New emergency alert system that displays at the top of the web page for the latest information.
- New “How Do I?” section for frequently searched topics.
- New page design and navigation features for ease of use.
- New accessibility features, including ARIA (Accessible Rich Internet Applications) standards, have been added such as:
 - Utilizing color contrast features.
 - New document layouts making reader accessibility easier.
 - Mobile device and tablet compatibility.

Mayor Lowery would like to thank the Director of I.T. & Media, Steve Weiersmueller, I.T. Support Technician, Chris Pease, and our long-time partner eGov Strategies for all of their hard work in making this happen.
