FOR IMMEDIATE RELEASE

OCTOBER 19, 2022

**MAYOR LOWERY DEEPLY CONCERNED WITH THE LATEST REPORT
REGARDING UNSAFE RADIOACTIVE LEVELS FOUND AT JANA ELEMENTARY
SCHOOL**

Upon learning the recent findings from an independent report that showed unsafe levels of radioactive material at Jana Elementary School, Mayor Lowery contacted the Hazelwood School District as well as the Army Corps of Engineer to offer any assistance if needed.

The Hazelwood School Board of Education met last night and Mayor Lowery supports the decision that was made by the Board regarding the safety and well-being of all the students and staff to continue the school year virtually for now.

“It was very disturbing to have found out what is happening at the school. This is a very serious situation we are faced with and my administration will assist in any way possible if asked upon by the school district and Army Corps of Engineers,” states Mayor Lowery.
