## Message from the Mayor

Greetings everyone,

Welcome to our Winter of '22 edition of the Florissant Spotlight magazine. This year our city had an array of vibrant community events that were held throughout the city: **1<sup>st</sup> annual St. Patrick's Day Parade, Valley of Flowers Festival, Food Truck Knights, Walk-Thru History Plaque Dedications, Wednesday Night Out Festivities, Fiesta in Florissant, Summer Concert Series, Fall Festival and the 9/11 Ceremony.** Thank you to everyone that came out to support these community events.

The Florissant City Planning Calendar for 2023, which marks many city events in the coming year, is currently in production and should be delivered to your home the second week in December.

In late July our city was challenged again when storms and flash flooding struck. Businesses and homes faced major flood damage displacing residents and temporarily closing businesses. I would like to express my sincere gratitude to these agencies that were quick to respond with assistance: **St. Louis County Office of Emergency Management, SEMA, FEMA, the Red Cross and various community organizations.** All were very helpful in providing critical resources to assist those that needed it most. Once again our Florissant community showed it's fortitude and resilience in a time of crisis.

Early November brought you our annual **Veterans' Day Parade.** A big thanks to thank the St. Louis County Veterans Coalition, the VFW Post 4105 and all other organizations that made this year's Veterans' Day Parade a success.

On Saturday, November 26<sup>th</sup>, the City of Florissant, along with the Florissant Valley of Flowers organization, Old Town Partners, St. Ferdinand Shrine and the VFW Post 4105 will host the **2<sup>nd</sup> annual Miracle on St. Francois Street.** There will be many activities at city hall including the traditional tree lighting ceremony, a golf cart parade, entertainment at the VFW Post, shopping and dining in Old Town, activities at the St. Ferdinand Shrine and much more. For more information **visit [www.florissantoldtownpartners.com](http://www.florissantoldtownpartners.com).**

As we strive to embody our city's values of being safe, inclusive, and welcoming, I hope that each of you will continue to recognize Florissant as a diverse and caring community; one that is highly desirable to new and current families for many years to come.

In the next year we will continue to focus on ways to improve the quality of life for all of our residents. Our offices will strive to provide superior services and amenities, work with commercial developers, real estate brokers, and stakeholders throughout our city and the greater North County area.

I wish everyone a wonderful holiday season. I hope everyone remains safe, healthy and ready for a great 2023. We Are Florissant Strong!

*Mayor Tim Lowery*

## Safety tips for Holiday Shopping

### Shopping in Stores

- Do not buy more than you can carry. Plan ahead by taking a friend with you or ask a store employee to help you carry your packages to the car.
- Save all receipts. Print and save all confirmations from your online purchases. Start a file folder to keep all receipts together and to help you verify credit card or bank statements as they come in.
- Consider alternate options to pay for your merchandise, such as onetime or multiuse disposable credit cards or money orders, at online stores and auction sites.
- Wait until asked before taking out your credit card or checkbook. A thief could look over your shoulder to get your account information.

### Walking to and From Your Car

- Carry your purse close to your body or your wallet inside a coat or front trouser pocket.
- Have your keys in hand when approaching your vehicle. Check the back seat and around the car before getting in.
- Do not leave packages visible in your car windows. Lock them in the trunk or, if possible, take them directly home.

### Shopping with Small Children

- If you are shopping with children, make a plan in case you are separated from each other.
  - Select a central meeting place.
  - Teach them to know they can ask store personnel or store security employees if they need help.

### Shopping Online

- Before surfing the Internet, secure your personal computers by updating your security software. Everyone's computer should have anti-virus, anti-spyware, and anti-spam software, as well as a good firewall installed.
- Keep your personal information private and your password secure. Do not respond to requests to "verify" your password or credit card information unless you initiated the contact. Legitimate businesses will not contact you in this manner.
- Beware of "bargains" from companies with whom you are unfamiliar—if it sounds too good to be true, it probably is!
- Use secure websites for purchases. Look for the icon of a locked padlock at the bottom of the screen or "https" in the URL address.
- Shop with companies you know and trust. Check for background information if you plan to buy from a new or unfamiliar company.

## The Dangers of Leaving your Vehicle Running and Unattended

The Florissant Police Department is warning residents to be wary of thieves who are targeting unattended vehicles warming up during frigid temperatures.

The Florissant Police Department sees an increase in stolen vehicles that were left unattended at convenience stores or warming up in driveways each year when the temperatures get colder.

"We need everyone to do their part and not leave their car running and unattended. These thefts are 100 percent preventable, said Chief Timothy Fagan. "This is a crime of opportunity. Please do not give criminals an easy opportunity to steal your car".

If you need to warm up your vehicle, do it with a remote starter device that allows you to keep your vehicle locked, experts recommend. Please know that leaving your vehicle running unattended on the street is a violation the Florissant Municipal Code.

## Aqua Zumba \_\_\_\_\_ 16 & up

Aqua Zumba gives new meaning to the idea of an invigorating workout. This class takes place in our indoor pool. Splashing, stretching, twisting, and even shouting, laughing, hooting and hollering are often heard during an Aqua Zumba shallow water class.

Integrating the Zumba formula and philosophy with traditional aqua fitness disciplines, Aqua Zumba blends it all together into a safe, challenging, water-based workout that's cardio-conditioning, body-toning, and most of all, exhilarating beyond belief.

## Water Works \_\_\_\_\_ 16 & up

Take the plunge and try this low-impact workout that builds muscle strength and boosts your endurance. Each class includes a warm-up, cardio and strength training exercises, and a cooldown. Expect exercises like water walking, bicep curls, leg lifts, and noodle moves. You won't be swimming, and these water workouts are done in the shallow end of the pool. The buoyancy of the water is easy on your joints which makes this class a good choice if you have joint problems, chronic pain, or are recovering from an injury.

As you submerge yourself into the deep end of a pool for a water fitness workout your body becomes nearly weightless, giving you a new kind of workout challenge. While deep water aerobics has a low impact on your joints, it has a high impact on your cardiovascular system, improving your overall health and fitness, and aiding weight loss and maintenance. Swimming ability is recommended as this class is held in the deep end of the pool.

## BEWARE OF SCAMS!

From the Federal Trade Commission.....

### How can I avoid an AMAZON Impersonator Scam

Scammers are calling people & using the name of a company everyone knows, AMAZON, to rip people off. In one version of the scam, you get a call & a recorded message that says it's AMAZON. The message says there's something wrong with your account. It could be a suspicious purchase, a lost package, or an order they can't fulfill. The caller ID even shows it's Amazon.

If you get an unexpected call or message about a problem with any of your accounts - **HANG UP!**

- Do NOT press "1" to speak with customer support
- Do NOT call a phone number they gave you
- Do NOT give out your personal information

If you think there may actually be a problem with one of your accounts, contact the company using a phone number or website you know is real.
