FLORISSANT FISH SWIM TEAM CELEBRATES END-OF-THE-YEAR BANQUET

On Wednesday, July 24th, the Florissant Fish Swim Team celebrated their end-of-the-year banquet at the James J. Eagan Center. Mayor Lowery came and spoke to congratulate them on another fantastic season. The entire swim team and their families came out to celebrate all of their achievements. Individual awards were also given out.

The 2024 summer season marked the 22nd season for the Florissant Fish. Over the duration of the season the team was 5-0 in dual meets and finished 1st at the Conference Championships for the 14th straight season. This year's team consisted of 164 swimmers, ranging from 4-18 years old and featured a group of 9 coaches who have either been with the program for all 22 years or graduated as a swimmer of the team before joining the coaching staff. Mia Moore broke the conference record in the 15-18 50-yard butterfly at Conference preliminaries.

The Florissant Fish Team recently started using the brand-new Bangert Pool to host their swim meets.
