FLORISSANT'S 27TH ANNUAL FALL FESTIVAL WAS ANOTHER SUCCESS

The 27th Annual Fall Festival was celebrated on Sunday, October 13th. This event is co-hosted by Florissant Old Town Partners and The City of Florissant. The beautiful weather brought out a large crowd and St. Francois Street was packed all day. Days like Sunday, prove the strength of our community and why we can host so many great events.

The entire street was filled with fun for all ages. Countless craft vendors were in attendance, food was on almost every corner, and the music was better than ever this year. Some of the other events along St. Francois Street included: The Dog show, pony rides, pumpkin decorating, and of course, the Car Show.

This was the 12th Annual "Just Plain Cool" Car & Bike Show. This event continues to expand its reach. People are coming from further and further away to show off their cars right here in Florissant.

This Festival could not have been done without the hard work and planning of the Florissant Old Town Partners and the City of Florissant Staff. There are so many things that go on behind the scenes that would never be possible without good people who care.
