

September, 2011

To: Mayor Thomas P. Schneider

From: Florissant Veterans Commission

Subject: Request for transportation to MAVO Rally in Jefferson, City Missouri from City of Florissant Veterans Commission

Honorable Mayor,

The Florissant Veterans Commission expresses gratitude for the support of our City of Florissant Veterans by providing transportation, a driver and a representative from Florissant media for the Missouri Association of Veterans Organizations Rally held in Jefferson City Missouri in the Capitol Rotunda, September 14, 2011.

I am pleased to report that approximately 1000 Veterans Organization members and their Auxiliaries from over 22 Veterans Organizations were in attendance.

All were commended for an excellent job in getting the message out to the Legislators and the Governor on the need for dedicated funding for Veterans Homes in Missouri.

If it was not for the transportation provided by the City of Florissant, some of our Veterans would not have had the opportunity to support this call for representation in our State Capitol.

A copy of this letter will be sent to each Florissant Veterans Commission member and also will be posted on the City of Florissant website at: Government/Boards Commissions/Veterans Commission.

For God and Country, and our Missouri Veterans,

Lindell Bast
Chairman / Veterans Commission
City of Florissant
